

# REINDEER IN HERE

Dear \_\_\_\_\_,

Merry Christmas! I hope Santa and I did a good job of making your true Christmas wishes come true!

As you know, I had to go back to the North Pole to help guide Santa's sleigh, and to see my own family. Now I get to spend the rest of the year with Santa, Mrs. Claus, the Elves and of course, all my other Reindeer pals. But I want to tell you that I had such a magical time with you and your family during the month of December. It was so fun getting to know you and being your special Christmas friend. I'm really going to miss you, but don't worry because I'll be back again next year in the beginning of December, and I can't wait!

Please remember my important message that being different is normal—whether it's having different-sized antlers or something special about you that no one else has. If another quality makes you unique and special, it's something to celebrate!

If you want to write letters to me, I'll be sure to write back—and maybe I'll even bring you a little surprise on special days during the year. How does that sound?

Thank you for being my Christmas friend. I loved being yours. See you soon! And Merry Christmas!

Love,

Your Reindeer In Here

P.S. Congrats on making it on the Nice List! Yay! I just knew you would! Santa's very proud of you.
