

# REINDEER IN HERE

Dear \_\_\_\_\_,

Merry Christmas! I hope your Reindeer In Here and I did a good job of making your true Christmas wishes come true!

As you know, usually my Reindeer friends come back to the North Pole on Christmas Eve, and spend the rest of the year with me, Mrs. Claus, the Elves and of course, all their other Reindeer pals and families.

But I heard you would really love your special Reindeer In Here friend to stay with you all year. Is that true? Well after consulting with Mrs. Claus and your Reindeer, I have decided to grant your Christmas wish. You can keep your Reindeer In Here friend all year! Your Reindeer had such a magical time with you and your family during the month of December, and wants to stay with you, too!

Now you can go on even more adventures together with Reindeer In Here, and share the important message that being different is normal—whether it's having different-sized antlers or something special about you that no one else has. If another quality makes you unique and special, it's something to celebrate!

Merry Christmas and see you—and Reindeer In Here—next year!

Love,

Santa

P.S. Congrats on making it on the Nice List! Hooray! I'm very proud of you.
